Alumni Member Spotlight

SHOWCASING: Kenlee Brill

The City of Festivals (COF) is an extremely successful organization for many reasons. One of them being this edition's Member Spotlight, Kenlee Brill. Because of her passion and dedication to AKPsi, the COF chapter not only exists but has made great strides. Most recently Kenlee nominated COF Foundation as her favorite not-for-profit in her employer's, Northwestern Mutual, annual "Days of Sharing", from which we were selected and will be awarded \$3,000! For these reasons, and so many more, I am pleased to introduce you to Kenlee Brill, this quarter's Member Spotlight.

Kenlee's legacy with Alpha Kappa Psi began as a second semester freshman at UW-Milwaukee. During her time in Delta Phi she held every office within the chapter, except secretary, and held Master of Rituals twice! She received the distinguished service award (bronze) from Alpha Mu Chapter for her commitment and help in aiding them from colony to chapter.

Kenlee currently works for Northwestern Mutual using her Management Information Systems (MIS) degree as an Online Collaboration Specialist, helping employees work together more efficiently using various online/technology based mediums. However, even more than she loves her job she adores her six grandchildren and singing in her cappella quartet, Sizzle!

The City of Festivals Alumni Chapter truly appreciates all of Kenlee's commitment and has become an amazing organization because of it. We thank you, Kenlee, for all that you have done and contributed and hope we will have you around for many, many more years.

Winter Wonderland

As the weather went from fall to freezing, the City of Festivals Alumni Chapter kept right on truckin'. The students and alumni kicked off the quarter with the Annual Buckhead's Halloween Party. Friends such as Alvin and the Chipmunks, the Sesame Street characters, Allen from the Hangover and the Phantom of the Opera joined us for a fantastic evening.

This quarter brought another very successful and valuable annual speaker. Jim Lindenberg, owner of the Milwaukee Wave. He spoke to pledges, students and alumni of his experiences in business and the road that brought him to his current position. He also inspired listeners with his personal values and what he believes to be the keys to success. We would like to give a huge thank you to Katie Chiovatero for arranging the wonderful speaker and Lisa Quarford for organizing another great event.

Alumni and students also braved the changing seasons for pub crawls throughout the quarter. First, a drive to Long Wongs, then, a short walk from campus to Replay Sports Bar, and rounding up the quarter with a little Irish celebration at Brocah. Wisconsinites and AKPsi-er's will trudge through anything for a little social interaction and a good brew.
